Italy: the discovery of beauty and taste in Venice, Milan and surroundings

Questi programmi vogliono far scoprire il meglio dell'Italia e dell'Europa.

Un progetto che si articola in tre principali proposte. Una proposta turistica di base per visitare Venezia, Milano e dintorni, corredata da numerose opzioni che propongono attività, visite particolari, escursioni in città europee, così che ciascun gruppo partecipante possa personalizzare il proprio viaggio.

Una seconda proposta di Turismo Industriale prevede in particolare l'incontro di imprenditori stranieri con le eccellenze produttive italiane.

La terza riguarda l'Expo 2015 quando il fulcro del servizio offerto sarà la visita dei padiglioni dell'Esposizione Universale di Milano "Nutrire il pianeta-Energia per la vita".

These programs want to discover the best of Italy and Europe. A project that is divided into three main proposals.

A basic tourist proposal for exploring Venice, Milan and surrounding areas, together with a number of options that offer activities, special visits, trips to European cities, so that each a group participating can customize their trip.

A second proposal for Industrial Tourism provides for the meeting of foreign entrepreneurs with the excellence of Italian production.

The third concerns the Expo 2015 when the focus of the service offered will be visiting the halls of the Universal Exposition of Milan "Feeding the Planet-Energy for Life".
